

Module 6: Essential Laws: Class #5

The fifth essential universal law is The Law of Pure Potentiality:

Everything is _____

Creativity is _____

As the Law of Pure Potentiality declares, the universe knows no _____ . The potential of the universe and all living matter is _____. The only boundaries are the ones that your clients _____ when they allow their inferior emotions—fear, doubt, uncertainty, mistrust, etc.—to get the _____ of them.

The source of all creation is the _____—the pure energy that seeks _____. As soon as your clients realize that their true self is one with that pure and clear _____, they will become aligned with the power of all creation.

Once your clients are in _____ with this law, they realize that the biggest achievements and successes are not the result of effort, pressure or coercion, but rather the _____, _____ qualities of grace and peace.

When people are in _____ with their possibilities, there is no _____ and that is when they feel deeply and truly _____!

Processes that can be used with this law

THE TASK OF THE WEEK

Observe your behavior this week:

- When are you acting from your _____ and when from your _____ Self?
- Try to _____ as often as possible with the feeling of _____ potentiality and get into the energy that you are _____. The more you practice on this, the easier it will become. And then, you are in a better position to coach.
